## OSTA - Transportation Information- Stay Connected

### Transportation Communication

- OSTA is working with the Ottawa-Carleton District School Board (OCDSB), Ottawa Catholic School Board (OCSB) and Ottawa Public Health (OPH) to develop a safe plan for bused students for the 2020/21 school year. We thank you for your patience as we navigate these uncertain times and will continue to update parents throughout the summer and beginning of the school year.
- Parents can register for email notifications through the [OSTA Parent Web Portal](#) or follow OSTA on [Facebook](#) and [Twitter](#) for news, updates, safety tips, bus delays and cancellations.

### Information Accuracy Affects OSTA's Planning

- Are you moving or changing daycare providers? Considering an Extended Day Program part-time or 5 days a week? Your decisions, and school data, affect OSTA's accuracy when we plan routes. During these complex times, **it is critical that parents give their school the most accurate information AS SOON AS POSSIBLE**, to avoid extended waiting for a transportation change in the fall. OSTA is contemplating restricting changes this summer due to new processes that protect student health, and we are also anticipating increased operational pressures which will delay changes. So, get your information in to be sure your eligible child has a spot reserved on a bus.
