- At this time students are not allowed to access their lockers. As soon as we get the go ahead from Ottawa Public Health, we will let you know.

7/8 Immunization Update

- Due to the school closures, Ottawa Public Health has cancelled the second cycle of school immunization clinics.
- OPH will prioritize the immunization of the 2019-2020 Grade 7 cohort as soon as the risk associated with COVID-19 is decreased.
- It is preferable that parents wait for OPH to share their plan before making individual immunization arrangements.
- [The Canadian Immunization Guide](#) states that delays between doses do not mean your child will have less protection when the vaccine series is finally completed. Re-starting a vaccine series is not recommended.
